Email Address _____

Participant School Name _____

Participant School Address _____

You have been invited to participate in a professional workshop on the North Carolina ECHO grant funded project entitled “*DigitalForsyth*.” Partner libraries and institutions in Forsyth County, NC including Wake Forest University, Old Salem Museums and Gardens, Winston Salem State University, and Forsyth County Public Library are developing this digital project.

Your participation in this workshop is voluntary. We will use the information you provide to enhance, revise, and improve the educational components of the grant and the *DigitalForsyth* website. It is our goal that the digitization project be a useful resource for classrooms, therefore your feedback is essential in helping us accomplish this goal.

We expect that this project and website will be used by teachers across the state as they plan lesson activities that require primary resources and information from online sources. Two methods will be used to gain feedback: 1) lesson activities and evaluation feedback will be generated during the workshop session and 2) open discussions during the session on ways to improve the site and navigation. By signing this form you are giving your permission for Wake Forest University and *DigitalForsyth* to use your work, comments, and any photographs taken of you during the sessions without reservation or cost to the university. In addition, you authorize your lesson activity to be edited as well as posted on the *DigitalForsyth* website. If you have any questions about your rights as a participant, you may contact Erik Mitchell, Z. Smith Reynolds Library, Wake Forest University (336) 758-5797 or mitcheet@wfu.edu.
